USDA - PMA

MARCH 28, 1949

INSTRUCTIONS

This is a list of obsolete and replaced PMA forms, with instructions for the disposition of stocks. The list replaces the lists published under dates of November 24, 1947, February 9, 1948, and May 26, 1948.

If an asterisk precedes the form number, use up all stocks. Otherwise, dispose of stocks in accordance with PMA Procedure 456.1. If stocks to be disposed of are serially numbered, follow carefully the disposition instructions of your own branch.

If a date or a Budget Bureau approval number or expiration date follows the number in the first column in this list, do not dispose of any stocks having a later date or approval.

If you are of the opinion that the use of the stocks of a form preceded in this list by an asterisk is impracticable or undesirable, advise the Washington office of your branch accordingly.

MAKE CERTAIN YOU ARE RIGHT BEFORE DISPOSING OF ANY STOCKS. COMPARE CAREFULLY THE FORM NUMBER, DATE IF ANY, AND TITLE ON THE STOCKS WITH THE FORM NUMBER, DATE IF ANY, AND TITLE GIVEN IN THIS LIST. IF IN DOUBT, HOLD THE STOCKS AND OBTAIN CLARIFICATION THROUGH THE WASHINGTON OFFICE OF YOUR BRANCH.
